Lindsay Lohan promised she wouldn't party on New Year's Eve. Of course, that promise was broken -- and now we know why.

Turns out LiLo was paid at least $100,000 to ring in 2013 in London with Brunei's **Haji Abdul Azim** . The prince is known for throwing wild, lavish bashes that include gift bags stuffed with expensive party favors like iPads and jewelry.

Lindsay, who claimed to be planning a quiet dinner at home on Monday night, allegedly had the bash on her schedule for a while. A source says, "Prince Azim not only flew her out; he put her up in a beautiful suite in the Dorchester for the weekend and following the party. Her mom, **Dina** , is also in London with her at the hotel and attended the party." The insider adds, "Lindsay went because she's that desperate for a paycheck."

Prince Azim also reportedly paid **Lionel Ritchie** $250,000 to sing and **Pamela Anderson** $75,000 just to show up.

According to a new study, women who think they're unattractive, and fear they won't be able to land a mate, are more likely to work harder pursuing a career than attractive women. They also delay having children and when they finally did start a family, they had fewer kids.
