Meet our Hound mix-breed young girl ... My name is Wynona and I am one agreeable and sweet girl. I get along with everyone and every dog! I am a pleaser ... can't you see it in my eyes? Yep, I'm a BIG puppy and I have the typical appeal that all young dogs have ... soft fur, sweet eyes, irresistible ears and because I am a "rescue," a few needy behaviors :). Hey, you may as well know it up front ... I'm a dog that hasn't had much training and I lack a bit of confidence. Additionally, dogs can be a lot of work but boy are we worth it!!! I'm here waiting and hoping my status changes real soon! Please don't think you are going to put me in a cage for 10 hours a day because that just won't work - not for you or for me. And, please don't think you are going to chain me up to live outside for my lifetime because that kind of life is not in my plans. Keep in mind, I am a social animal - all dogs are - and that would lead to a lonely existence! So let's find some balls, figure out a walking route, check out a few dog parks, and begin our life together. A life of love and friendship! My "thanks" to Olivia Mandala ... she's one terrific photographer!
